Membership

All mothers and guardians of Alpha Delta Pi’s become eligible for membership on the day that their daughter accepts her bid, and remain eligible for the duration of their daughter’s undergraduate education, assuming she remains affiliated with Alpha Delta Pi. It is not a requirement, however, that every mother be a member of the chapter’s Mom’s Club. Membership is strictly voluntary. Alumni mothers are encouraged to remain active in the Alpha Delta Pi Mom’s Club, also.

Please check areas that you can provide assistance or resources. Feel free to check as many as you can be of assistance.
